Fostering Linguistic Capital: A Roadmap for Reversing the Diversity Crisis and Activating Societal Benefits in Europe

Researchers at the Language Sciences Institute UHI are conducting this survey for the FOSTERLANG project, which aims to have a transformative effect on how minoritised languages are protected and promoted in Europe in a more stable and equitable co-existence with dominant, national and international languages.

You are consenting to provide data (your opinions) relating to the social and economic position of Gaelic and/or Scots and/or Shaelan. Your participation will help us devise potential language planning interventions that may be needed to safeguard and support linguistic diversity in Scotland. Full details are available on the Participant Information Sheet.

1. I confirm that I have read the FOSTERLANG Participant Information Sheet. I understand what is expected of me in this survey.
2. I understand that my participation is voluntary.
3. I understand that the survey is anonymous and that no personally identifiable information (e.g. name, IP Address, etc.) is being collected.
4. I confirm I am 18 years of age or older.
5. I understand that the information/responses I provide will be shared with the FOSTERLANG research team.
6. I understand that I may withdraw my consent to participate at any time as per the guidance on the Participant Information Sheet, by closing this browser window, up until the point at which the data has been submitted. I understand that I cannot withdraw my consent after data submission.
7. I consent to my anonymous data being used as part of an aggregated pool of responses for the specific research outlined in the Participant Information Sheet, and for further relevant and related research.
8. I consent to my anonymous data being retained by the FOSTERLANG project, on secure password-protected servers at the University of Warsaw, for up to ten years following the completion of the project.
9. I waive any rights to intellectual property over the data generated by my participation and understand that I will not benefit commercially or financially.

By clicking on this link, I confirm the above statements and consent to participate in this study under the terms contained therein (<https://fosterlang.al.uw.edu.pl/>).
